

# Quick Aural Quiz

**A)** Write whether the chords played are major (happy ☺) or minor (sad). Each chord will be played 3 times.

- |          |          |
|----------|----------|
| 1. _____ | 2. _____ |
| 3. _____ | 4. _____ |
| 5. _____ | 6. _____ |
| 7. _____ | 8. _____ |

**B)** The three notes Do, Re and Me will be played by themselves, then in a pattern. There will be a total of four notes played per pattern. Write down the order in which you hear the notes. Each pattern will be played 2 times.

- |          |       |       |       |
|----------|-------|-------|-------|
| 1. _____ | _____ | _____ | _____ |
| 2. _____ | _____ | _____ | _____ |

**C)** A rhythm will be played on the piano twice. Have a go at writing down the rhythm using minims (2 beats), crotchets (1 beat) and quavers ( 1/2 a beat).

Hint: It may help to count out the beats in your head or to break up the beats into smaller parts: 1 + 2 + 3 + 4 +.

**D)** Two notes will be played 3 times. Write down whether the second note played is higher or lower than the first note.

- |          |           |
|----------|-----------|
| 1. _____ | 2. _____  |
| 3. _____ | 4. _____  |
| 5. _____ | 6. _____  |
| 7. _____ | 8. _____  |
| 9. _____ | 10. _____ |
